About the Hospital

KPC Medical College and Hospital (KPCMCH) is a state-of-the-art healthcare facility and educational institution established to serve the city of Kolkata and the larger community of West Bengal. The KPCMCH is a society and is registered under Section 4(2) of The West Bengal Societies Registration Act, 1961. The said society is formed by a non-profit foundation sponsored by the renowned orthopedic surgeon and medical entrepreneur Dr. Kali Pradip Chaudhuri. Under the guidance and leadership of Dr. Chaudhuri, the Society has established the KPC Medical College & Hospital which is affiliated to the West Bengal University of Health Sciences, approved by the Government of West Bengal and recognized by the medical council of India.

Standards of Service

KPCMCH is committed to provide quality healthcare to all patients who approach the hospital at a very competitive price. The hospital caters to various segments of the society including the needy and underprivileged.

Standards of healthcare are influenced by patient volume and availability of supplies. The hospital is committed to maintaining a balance of both.

The Hospital strives to give prompt and courteous attention to all its users.
