Principal of Shova Rani Nursing College KPC Medical College and Hospital

From The Desk of Principal:-

Welcome to Shova Rani Nursing College!

Our institution started its journey in 2005 with a capacity of 50 intake offering B.Sc. Nursing, approved by Indian Nursing Council, New Delhi; West Bengal Nursing Council, Kolkata & affiliated to the The West Bengal University of Health Sciences. Integrated with our International nurse training programme, our students are equipped with comprehensive training of international standards. Our institution has geared up to achieve prominence as an innovator in nursing education. We value access to the complex health-care needs of an increasing population. We value access to the education & embrace opportunities to utilize advance technology, innovation & creativity to provide graduates with the highest quality education at the B.Sc. degree level.

Today's Challenging health-care environment provides unique opportunities for nursing. Nursing care is needed more than ever to provide evidence based patient care & for providing quality Health care System.

We are proud to state that our Basic B.Sc. Nursing seats have been enhanced with 80 students intake per year and we have successfully started the Post Basic B.Sc. Nursing Course with 30 intake yearly. The distant education programme IGNOU with Post Basic B.Sc. Nursing students are also running in our colleges since 2007.

On behalf of faculty, administration and staffs, we welcome you to our college & the excellent educational opportunities in nursing.

Mrs. Shikha Lahiri
